Proposals for new homes and open space on land North of Barkby Road, Syston. Taylor Wimpey are currently proposing a planning application for the site to allow delivery of up to 195 new homes including affordable homes and open space helping to contribute towards the pressing housing need in the local district.

Taylor Wimpey are committed to delivering sustainable places to live with high-quality homes, appropriate facilities and attractive environments for the people that live there. Our proposals have been designed to incorporate and retain existing features of the site to provide:

- Up to 195 new homes with associated car parking;
- A new, safe vehicle access from Barkby Road;
- Affordable housing – for social rent or shared ownership schemes;
- New landscaped open space for existing and new residents;
- Substantial contributions to bus services, education, health care and local services.

We'd like to know what you think about our proposal, which provides a range of new family and affordable homes. Our public exhibition will take place on **Wednesday 25th April** between **3.30pm and 7.30pm** at the **Syston Community Centre**. It will be an opportunity for you to find out more information about our proposal and allow our team to listen further to your views and those of the community.

You can call us on **0800 148 8911** or visit our website at www.taylorwimpey.co.uk/BarkbyRoad

We look forward to hearing from you.
