2 August 2018

Dear Sir or Madam,

Notification of closures on the A46 between the Hobby Horse Roundabout and Widmerpool

I am writing to let you know about the essential maintenance scheme on the A46 between the Hobby Horse roundabout and Widmerpool.

We completed the bulk of the work last week which means the end of weeknight closures, however as mentioned in previous correspondence we do need to return to finish some additional activities. These snagging works will be undertaken during **overnight weekend closures** as follows:

Sat 11th August (8pm to 6am)

Northbound Full Closure: Diversion from Hobby Horse to Paddy's Ln via Loughborough.
The diversion route is attached.

Saturday 18 August (8pm to 6am)

Northbound Slip Road: Six Hills.

Southbound Lane 1: Either side of Widmerpool Rbt including the exit & entry slip roads.

Sunday 19 August (8pm to 6am)

Southbound Lane 1: Either side of Widmerpool Rbt including the exit & entry slip roads.

Please note that all planned roadworks are subject to change due to weather conditions or unforeseen circumstances. We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

How will the work affect traffic?

Before a full carriageway is closed we will put in place fully signed diversion routes, which have been agreed with the Local Authority. Access to properties within the closures will be maintained by vehicle escort.

Both carriageways will remain open to traffic between the hours of 6am and 8pm as usual.
